

International Conference on Machine Learning and Cybernetics 2005

18 – 21 August 2005, Guangzhou, China

Websites: <http://www.icmlc2005.hbu.edu.cn> <http://www.comp.polyu.edu.hk/~cike/icmlc2005>

Invited Session Image Processing

Organizer:	<p>Z. W. Liao University of Electronic Science and Technology of China liaoziwu@163.com</p> <p>Y. Y. Tang Hong Kong Baptist University yytang@comp.hkbu.edu.hk</p>
Description:	<p>Image Processing is receiving more attentions during the past few years. Besides researching on traditional images processing technologies, we will especially interest on the technologies about image retrieval and their ability over the Internet. The session will focus on discussions on the issues of traditional image processing theory and techniques, applying techniques of image analysis to some new fields and theories about image processing in these new fields.</p>
Submission Format:	<p>Authors must submit an electronic copy (in word or pdf) of their complete manuscript directly to the Session Chair (liaoziwu@163.com) on or before April 30, 2005. The paper should be prepared according to the icmlc paper format. Authors will receive reviews by June 01, 2005. Camera ready copy of papers will be due by July 01, 2005.</p>
