**IEEE Biometrics Council Introduces Biometrics Compendium Alerts**

How difficult it is for us to keep yourself updated on our whenever any accepted paper is available in early access? What are the consequences of missing a new algorithm or technology in an area that has been focus of your work in recent years?

In order to further advance research and development efforts in the biometrics community, IEEE Biometrics Council has now initiated monthly *compendium alerts* on purely voluntarily basis. You can now receive monthly alerts on latest publications, accepted delivered or published from IEEE journals and leading conferences, in the area of your preferences on monthly basis.

This service is completely free and provided by the IEEE Biometrics Council for the benefit of biometrics community. You can register yourself for *IEEE Biometrics Compendium Alerts*! Its free and you can unsubscribe yourself at any time!
